By the time you are reading this article, 2016 and its Holiday Season will already be in the books. I sincerely hope that your Holiday Season was just as good as mine. I absolutely love spending some time with my family and friends. Unfortunately, the German fraction of our family was not able to make it across the big pond and some of our family members from Illinois, Massachusetts, North Carolina and Tennessee could not attend either. Nevertheless, we had a great time.

On Saturday (11/20) I met with Lefty and Wildcat to take some more formal wedding photos. We rode out to Holiday Park which served as a very nice backdrop. The weather was picture perfect for a photo shoot. It did not take us very long to take the photos Lefty and Wildcat were looking for. I am very happy they appreciated my wedding photos.

On Saturday (11/26) I heard that Cartel Baggers were having their Toys for Tots Event at Tropical Park in Miami. Even though the Palmetto Expressway is not my

favorite road, the ride down South was very smooth. They had a nice turnout. I arrived rather late, but still in time to catch the competition of the Sound-Off... what bike had the loudest stereo

## Around So Fla

by Miami Mike, Publisher  
MiamiMike@wheelsontheroad.com

This New Year has started off as bad as you can imagine in our biker community. In the early morning hours of 2017, Mystic Seven club member, Wayne "Preacher" Wilson, (only 39 years young) was killed in a tragic motorcycle accident after leaving the clubhouse where everyone had celebrated New Years Eve 2017.

Although Wayne wasn't with the club for very long he made a lasting impression. I didn't know "Preacher" that well but he always made me and Sharon feel welcome at the clubhouse, like he knew us for years. I'm sure he made everyone feel like that. Wayne was well liked and a very friendly person, he always had a big smile on his face and nice things to say to everyone.

Mystic Seven club president, Robert, sent me the following information about Wayne:

*"He was a great, father, husband and a great brother of the Mystic Seven. He leaves behind his wife Jennifer and 2 kid's, Hailey and Willis. He was a former child pastor and was always praying for all of us. Wayne was always smiling and now he is an angel riding beside his brother's. The family has set up a GoFundME account "Support for the Wilson Family" (from Coconut Creek); any help will be appreciated. The Mystic Seven will also be holding a benefit at a later date."*

At press time funeral arrangements have not been made, however if you are reading this on-line Tuesday, Jan 3rd, you will receive an email from me (if you are on my email list) about the funeral and benefit as soon as I find out. In the meantime, please donate what you can to the Gofundme account for the family he leave

system. Some were extremely loud and I only wished they would have played different tunes while demonstrating their equipment.

The following day (11/27) I attended the Alternative MC's Annual which was held at their

clubhouse in Oakland Park. I missed out on their delicious food as I had lunch with my wife before I rode out. Mother Nature had a great day in store which also reflected in the amount of people

who had shown up. I stayed for a quite a while, enjoying the good company.

I was mega busy the first weekend in December as two of my most favorite Charity Rides took place back to back. On Saturday (12/03) the P.O.A.T – Cops Ride for Kids took place followed by the 29th Annual SFPC Toys in the Sun Run on Sunday. I wished there would have been one week in between these events. (The SFPC Calendar was set up in the first

place so no two motorcycle events would go against each other-I guess nobody cares anymore) Anyway, I took over 4000 images of both events combined. That is a lot of photos to be uploaded to my web site. Due to volume of images I uploaded the photos as they came out of the camera. I donate 30% of the proceeds of all photos sold.

The Semi Annual P.O.A.T – Cops Ride for Kids had well over 600 motorcycles in the procession. This police escorted ride went from the Miami-Dade Police Headquarter in Doral all the way down to the Postcard Inn on Holiday Isle, Islamorada. I just wished I had the time to

National President:

Wings of Gold MC

Chief Director:

SFPC Toys in the Sun Run

In Memory of Bob Amchir

Happy New Year to everyone! Hopefully all of you had an enjoyable and safe holiday.

Well with the 29th Annual SFPC Toys in the Sun Run behind us, we were blessed with great weather and a better turnout compared to last year. We were able to raise **\$473,000.00** to benefit Joe DiMaggio Children's Hospital, along with many other local charities throughout South Florida.

A big "Thank You" to the Broward Sheriff's Office for keeping all the motorcyclists' safe in the parade from Mardi Gras Casino to Markham Park, covering just over 20 miles of open roads and highways. They diverted all motor vehicles to keep from endangering the motorcyclists' lives by closing down all ramps loading to the highways and byways of the parade route. Along with BSO, many other police agencies, just over 200 law enforcement officers, helped keep the parade moving smoothly.

Thanks to all the South Florida Presidents Council Motorcycle Clubs and Associations for making this event possible. Many patch holders make a lot of sacrifices in their daily life routine to bring everyone who attends and supports this incredible event the best and most enjoyable time that one can have while benefiting such a great cause. With that being said, next year's Toy Run will be our 30th Anniversary and will be taking place on Sunday December 10, 2017. So make plans now to attend next year's Toy Run filled with many surprises, along with many special guests to make it the most memorable and best yet! Be sure to check out [www.toysinthesunrun.com](http://www.toysinthesunrun.com) for all the photos from this past event, as well as the Toy Run Facebook page. Next month I will list all the MC Clubs, Associations, businesses and individuals who helped make this past toy run the success it was!

With this New Year, kicking off 2017 will be States MC Blessing of the Bikes on January 8th at their clubhouse in Pompano starting at noon. So ride your bike, bring your colors, etc to be blessed.

On January 15th the Annual Biker Appreciation Day, hosted by Wings of Gold MC Fort Lauderdale, will be held at Alligator Alley Harley-Davidson in Sunrise starting at 11:00am and ending at 4:00pm. There will be free food and soda, as well as beer and water for purchase. This event is where the Toy Run check will be presented, and the group photo taken, and all the "thank you" plaques given out, starting at 2:30pm. Soulcide will be performing throughout the day, playing many favorites from past and present. There will be a classic car and bike display along

with Largest Club and Largest Organization trophies.

And to close out the month of January will be the Der Kreiger MC hosting their annual on the 29th at Cagney's House of Rock in Davie. National recording artist Jasmine Cain will be performing on stage in the parking lot and there will be many vendors and lots of drink specials throughout the day. (see flyers in this issue)

Please support all the South Florida President's Council Motorcycle Clubs and Organizations on their annuals and parties

throughout the year as they work hard to make their events enjoyable to all who attend! Until next month, B-cool, Tattoo Dave Amchir

# MY COSTA RICAN RETIREMENT

By Doob: DoobCR@gmail.com

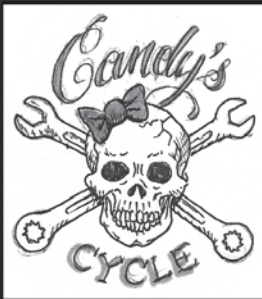

I'm back in C.R. and find that climate change has extended our rainy season to include most of December. Usually it stops at this time and gives us five rain free months. Well now our roads are taking a beating and making us the 4th. most dangerous country for drivers and riders. Each month, many small bike riders end up in hospitals or dead.

On local Biker news... our club Christmas party was held on 18 Dec. Finally, a dry day that included a ride in the mountains for breakfast, then back to the clubhouse for a noon start of drinking, eating and listening to a band singing rock songs memorized in English. I also talked to Carl Halberg, a long time So. Fl. Biker who resides here and now rides with our M/C. In March we will celebrate the 20th. anniversary of our Steel Angels M/C. Check us out at [www.steelangelsm/c.com](http://www.steelangelsm/c.com).

# Good News

By Doug Scofield  
DougWOTR@gmail.com

As we put last year behind us, it is my prayer that we have a safe and joyous 2017. I look forward to all of the annuals and all that South Florida has to offer us, as we put rubber to asphalt. Let us be safe and be aware of our surroundings, especially during the next few months. The snowbirds are here and they are not accustomed to this many bikes.

Philippians 3:13-14: "Brothers, I do not consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the

prize for which God has called me heavenward in Christ Jesus.

States MC will host their 25th Annual "Blessing of the Bikes" on January 8th. I encourage everyone to come out for this event. I pray that while you are there you might seek out someone with CMA, Soldiers for Jesus MC, or Calvary Chapel MM. It would be our pleasure to pray with you and for you. The Priest does a nice job but if you would like some one-on-one, we are there for you.

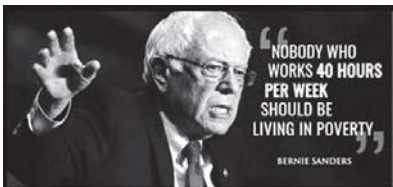

Are you tired of the same ol... well take that step and start the New Year as a new person. There is a simple prayer one says when he wants to surrender his life to Jesus; it goes something like this: Lord Jesus I am a sinner. I believe you died on the cross for my sins and I ask You to forgive me of my sins. I invite You to come into my heart to take control of my life. I will follow You from this day forever, in Jesus' name Amen.

It's that simple man! It's a simple prayer that we tend to make way too difficult. If you said that prayer and would like more information e-mail me or give me a call at 954-448-1235, or give Russ a call at 954-553-0580. Remember, Jesus died for bikers too! Psalm 16:1 Keep me safe, O

God, for in you I take refuge.

Anyone else notice that no Churches, Christmas mass's, malls, Christmas parties, family Christmas dinners or National Monuments were attacked by ISIS or any other Islamic idiot jihadist over this past Christmas week here in the United States? The only attack I saw was the UN attacking Israel with the help of that POS obama. Thank God January

2017 will be here by the time you are reading this.

December 11th found Kathy and I attending ABATE of Palm Beach's Annual Freedom Rights Rally and had an awesome time. We met up

with many brothers and sisters we hadn't seen in a while. Nowhere else can you pull in, have people come and give you such a warm welcome and

hugs... except at the biker events we attend. ABATE of Palm Beach always puts on a great event and this one was no exception. Even though the weather wasn't the greatest they had a terrific turnout. It didn't rain all day and it held out until the event was over. (Too bad Bill's Bikes Memorial Toy Run was cancelled since it didn't rain like they thought.)

The music was outstanding with Konected belting out the tunes. They even did "Summer of 69" for me. Couldn't have asked for a better band for this event. Kathy and I haven't been getting out that much so it's a real pleasure for us to be around people we love and care about.

December 17th Kathy and I had the privilege of attending Wreaths Across America at the South Florida National Cemetery, in honor of those who made the ultimate sacrifice and those who served their country. This is the most humbling experience one can have when

looking out over the fields covered with markers, knowing that each and every serviceman and woman buried there is a hero. The ceremony that Wreaths Across America present each year is

outstanding and very honorable. As of this year there are over 22,000 hero's buried at the South Florida National Cemetery. If you have never attended this ceremony make plans in 2017. It's well worth attending and will make you feel proud to be an American. Thank you to all the men and women, to all the sponsors and donators for all you do.

December 18th Kathy and I spent the day at Kathy's Uncle Steve and Aunt Kathy Lamerson's house along with the rest of Kathy's Mom's family for the yearly Christmas get together. We had a great time with a lot of good food and talk. We enjoyed ourselves and want to thank

Steve and Kathy for inviting us again this year.

Kathy and I had a very nice Christmas day with the family. It started with Kathy's granddaughter Skye opening presents and then on to Christmas dinner.

Kathy's mom Kitty brought green beans and pie. Kathy's sister Mary brought a broccoli casserole. Kathy's son Michael brought an applesauce cake and pumpkin bread and Kathy and I made sweet potatoes, 15 pounds of mashed potatoes, and a 12 lb. ham. Kathy's Dad Pete said the

prayer and we all dug in. Everything was delicious and we ate too much of course and I was too busy eating, I forgot to take any photos of the food. (LOL) This was an outstanding Christmas and Kathy and I hope your Christmas was as good, or better, than ours.

We want to wish each and every reader of Wheels on the Road a Safe, Healthy, Wealthy and Happy New Year.

actually participate in the ride as the weather could have not been any better. I heard everybody had a great time. The proceeds of this ride will go to the Police Office Assistance Trust (P.O.A.T) which provided Holiday gifts to the children of law enforcement officers

that had lost their parent in the line of duty. Their next ride is scheduled for Sunday May 7th, 2017. If you have never participated in this ride, I highly recommend it. This time I am planning on riding all the way down to the Postcard Inn.

On Sunday (12/04) the 29th Annual SFPC Toys in the Sun Run took place. Mother Nature continued to be nice to us and it had a positive effect on the amount of people that showed up. I took photos at the entrance of Markham Park. I

noticed that there were a lot more bikes passing me by compared to the year before. I took about 2400 images of people riding in. Also, inside Markham Park there were a lot more people than last year. Lots of vendors, a great food court and fantastic music provided by our favorite local bands, National Recording artist Jasmine Cain and headliner Dee Snider, lead singer

of Twisted Sister. Judging by all that was going on, I expected a better result than last year. I was totally surprised when I was informed that \$ 473,000.00 was raised. This is an increase of \$77,000.00 from last year. We also did much better in the Toy department. This is an outstanding result, considering the current economy. I want to thank Tattoo Dave, all of his club members and all motorcycle clubs and organizations that

have put in countless of hours to make this another great event. I also want to thank all the local bands, bars and businesses that donated their time and money to make this year's Toy Run such as huge success. Great job everybody! Remember that on January 15th at Alligator Alley the Biker Appreciation day will take place. Tattoo Dave awards

"Thank You" plaques to all people and businesses that donated time and money to the toy run. After the awards are given the big group photo with everyone involved, holding the donation check, will be taken by Miami Mike and myself, so stick around until all the awards are finished so you can be in the photo.

The last event I covered in 2016 was the Kiwanis Club of Davie and West Hollywood Holiday

# Woo's New View's

By Willie Woo: [WillieWoo69@hotmail.com](mailto:WillieWoo69@hotmail.com)

Hi Peeps!

Well another New Year begins on our journey through life! I wish you all the very best in 2017!

As you may know, my dearest friend, and one of the original WOTR moto-journalists, "Modest Mike", was in a terrible accident November 25th. He was T-boned on his motorcycle by a pick-up truck and lost his left leg below the knee. He also had compound fractures of his left femur and right upper arm, as well as broken ribs, internal injuries and too many other problems to mention. Needless to say he's in really bad shape. Mike has been in a medically induced coma for a month but thankfully he's on the mend. Oh so slowly, but at this stage we will take thousands

of an inch of improvement over falling into another crisis. Please pray for him and a small donation to his GOFUNDME page will go a long way in his recovery! Just type in "Modest Mike" or "Mike Mathews" and 2 funds will pop up. They both go to Mike so choose either fund. You can also read updates and additional information I haven't mentioned. Just think of all the cash we blow on crap and how just a few bucks could help a really stand up Brother. He's a REAL BIKER and NOT A POSER! A guy that only has a motorcycle (no other vehicle) and rides it every day, everywhere, in any weather, to go shopping, and take care of his business. He has more two wheeled miles on his ass backing out of his driveway than most of the people you see on bikes have going forward! God Bless Him and YOU for helping my dear friend, Modest Mike.

Last month I started telling you how to go about getting started on refinishing your bike (or any machine for that matter). Now there are several ways to strip paint, rust and any other contaminants from metal. There's sanding, good for small areas, and my favorite... chemical strippers (paint remover), for complete removal of all paint, rust and also the best way to prep metal to mechanically hold primers, paints or whatever you're going to cover it with. There are several things to consider when opting to sand blast. On heavy metal (frames, cylinders, handlebars, and things of that nature) the really big blasters are great. NEVER have them use it on tanks and sheet metal fenders, and NEVER on PLASTIC pieces. The big blasters create HEAT... and lots of it. I found that out years ago from a friend of mine who owned a company called Atomic Sandblasting. He did buildings, bridges, and large structures. He had a huge truck with a very big engine driven compressor. The engine was separate from the engine that moved the truck. I brought him an old Harley frame with the old big fenders. I think it was in the 40's, I can't exactly remember. He stripped the entire frame in about 10 to 14 minutes and it looked beautiful! Then he did the tanks and fenders and... Oh shit! Big mistake!! The paint and rust were completely gone but the problem was, as I later found out when I was fitting the pieces to the frame before priming, the heat from the sand blasting had warped the crap out of the fenders. I learned to sandblast fenders and other sheet metal it's best to use a cabinet type blaster with lower air pressure and a fine abrasive.

Another thing you will find, especially here in Florida where we have so much humidity, is that bare metal will start to rust up almost immediately. Also, just touching it will rust it very quickly as well. The trick for that is bring a bottle of OSPHO or RUST CRUSHER (those are brand names) with you and immediately wipe down all the parts with it.

It's just diluted Phosphoric acid which turns the top of the metal into iron phosphate. It will not rust unless you break the surface. The metal will turn a grayish color, or if you put too much on a black residue. If it turns black the easiest way to get it off is just to put some OSPHO on a rag and scrub the black off. The solution on the rag will dissolve the black and leave the metal gray. It also makes a great base to put your primer on.

Enough for now, hopefully... more next month.

Spot is all smiles after the Drumtree was finished.

The SFPC 29th Annual Toys in the Sun Run began the Christmas Spirit for the month! What a Wonderful day for the kids, and us bikers! Beautiful weather graced our day to deliver toys and \$\$\$ to the children and Joe DiMaggio Children's Hospital. Put together by Tattoo Dave, the Wings

of Gold MC and all the clubs and organizations that form the South Florida President's Council. WE THANK YOU! You ALL ROCK!!!

Many sponsors were on stage holding the big checks that are donated to the event. May God bless and Help All the sick kids!

The REAL Santa lives in Fla.

As you could hear, very cool military and civilian choppers were flyin' all the kids for Free with our Veterans from lcpJJanosVLutzLivetoTell, organizing, assisting and accompanying them! Huge Kudos to Ken Isaackson, Debbie, Shep Horwitz, Brian Lupo and all those on hand to help arrange these awesome trips!

I was fortunate to hang out with Will and Cowboy, who

brought the Huge Crane with the Gi-normous American Flag you saw flyin on the bridge! And they brought a nice fat check for the kids as well! Great job, guys! we all enjoyed the symbol of our Freedom, especially since it's been persecuted and stomped on for far too long! Santa Ed is one of MY favorite local celebrities. ALWAYS goin' Above and Beyond for the Children!! Love you, Santa Ed!! What a great day it was for everyone who attended. If you missed it... shame on you!

I finally got my "drumtree" decorated and Spot was waiting patiently for Santa to arrive! Everyone was asleep when he

Spot & the Drumtree

stopped by but none of us even heard him... or all the reindeer.

Just before Christmas Eve, the Wings of Gold MC hosted their Christmas Party! A Very Nice and Joyous occasion with karaoke Christmas Tunes sung by Striker and Fox, and many others. Always a good time at their Clubhouse!

I hope All of you had a Happy

Gabriel@AttorneyThatRides.com

Happy New Years folks! There is always something awesome about ushering in a new year with high expectations.

I am in San Diego, CA as I write this article, after riding the Long Distance Ride (LDR) from Jacksonville, FL, to San Diego, CA, in 50 hrs or less. This Coast-to-Coast haul-ass run is an Iron Butt Association run called the 50cc. They also have the 100cc for the LDR NUTS where they turn

around and head back with no or little sleep.

The run started about 3:40 am from Jax beach where I collected some sea water and sand. I was escorted by two LDR mama's... Susan and Cathy, who are St. Augustine locals who rode with Eric Sprague and I to Tallahassee. Eric was my one-way riding partner since he decided to sleep 3-hours in CA... then turned back to FL. I stayed behind to explore CA since I have never been here before.

I was announcing the run on FaceBook for about two weeks, asking for LDR friends to accompany me partial route. I had some Hoka Hey brothers west of Tallahassee that rode with Eric and I up to Louisiana's I-10/I-16 interchange. I was surprised to see my good friend Tim LaBlanc of Louisiana pulling up next to me on his Sling Shot on I-10. You may remember Tim from my former article because he is the one that planted the bug in my brain to ride from Ushuaia, Argentina, up the Pan American Highway to Prodhoe Bay, Alaska. Tim's "Claim to Fame" is that he was the stunt pilot for all the James Bond movies from 1998-2003. He pulled up with a friend of his who was riding a H-D Road King. The support was overwhelming and needed since rain would soon come and cold temps dropped to 22 degrees west of San Antonio.

I had a film crew following me in a mini van (no... not Freddy) taking pics and documenting the run. I want to thank Barry Callaway, of the Wings of Gold MC, and Flash, from the American Legion Riders Post 180 for sharing driving the van coast to coast. It was equally hard on them... fighting traffic

& lack of sleep to make sure Ken Barr, my excellent videographer/photographer/graphic designer guy got the best shots. (So far the film looks great!)

The plan is to make a short film that I will record on DVD to promote LDR and encourage folks to get out of their comfort zone to challenge themselves to accomplish a LDR feat. There are many different LDR runs like the Hoka Hey Motorcycle Challenge that is American motorcycle oriented. The Iron Butt Association (IBA) is a world wide LDR group with hundreds of self documenting runs one can ride, with their basic run - 1,000 miles in 24 hours or less. The IBA certified my Pan American run as the first Harley-Davidson to make that run. My name was added to their list, along with BMW's and other Jap bikes. In addition there are many regional and local folks that organize LDR runs throughout the U.S.

As I write this article I am monitoring the Weather channel that says the temps will drop and when I get to Louisiana I will enjoy heavy rain as an extra special bonus... It's O.K. because there is no such thing as a bad day to ride, only bad riding gear. I have heated gear as well as my high end waterproof riding suit. But... my suit must have shrunk since it feels a little tighter. (It can't possibly be all the cake, pies, cookies or

pastries I've been eating these four weeks since Thanksgiving...) But not to worry because one of my top New Year's resolutions is to get back in shape to film more LDR films.

So I'll be riding back to Jacksonville as soon as I finish this article. I should be back to Fort Lauderdale

either late Monday evening or before dinner on Tuesday. I'll be finishing this article for the February issue... if there is a February issue that is.

I am saying this because ad revenue is no longer covering the expense of publishing this magazine. Many national and regional magazines are in the same position with well over 1000 out of business the last few years. And going digital only has never worked for bikers. Most advertisers will not pay much to place their ad in an online biker mag so there is no real financial incentive to publish online. For the majority of us we don't have time to go online every time we want to know what's happening around town, or what band is playing where, or who has oil change specials. Plus we do like to look at the photos of our friends, sexy gals, ex-wives and motorcycles. With a printed magazine we just stick it in our back pocket or tourpack or saddlebag, or in the bathroom and it's there when we need it. The few local magazines that have tried digital lasted less than a few months... if that.

For the past 4 or 5 months MM has taken money out of his pocket to keep WOTR going in the hopes that after the presidential election new advertisers (and former advertisers as well) would be in a better position financially to run an ad for their shop or bar... but as of this January issue the new ads didn't quite make up for the advertisers that recently dropped out.

I want to request that you help support this magazine financially as I do. MM won't continue to publish WOTR in the red after this issue so it's up to us in the biker community to help keep this awesome magazine that informs us all of the runs, parties, annuals, and all the local businesses we rely on. Please support us by taking out an ad if you have a shop, a bar, a band, a product you sell online or Ebay, or just make a \$12 donation which comes out to \$1 a month, or if you have been reading WOTR for 17 years, comes out to less than 6¢ an issue for 207 issues. If you can donate \$25 or more you will become a VIP and receive a nice patch to sew on your vest showing you support us. With over 25,000 worldwide monthly readers, if everyone donated just \$1 in the next 3 weeks, there would be enough money to publish WOTR for the next 6 months even if more advertisers drop out, which we hope doesn't happen. It's up to you; if you want to keep Wheels on the Road in print you need to make a donation before January 16th because that's when the decision must be made to start the February issue or not.

If the February issue is not printed I will try and get the rest of my story out on social media, but I realize that less and less people have been signing off Facebook and quite a lot of bikers don't even use a computer at all. Your support for WOTR is urgent. Thanks, Gabe

by Cindy Kosor

December 2016 was filled with holiday spirit starting with the SFPC Toys in The Sun Run Weekend. Having the fortune to do the Ultra VIP this year was really exciting, starting Friday night with the Biker Bash at the Hard Rock Live and featuring the Big

Rock Band! The next day we met at the Hard Rock for a ride to the Boys and Girls Club of Broward County. The kids were great and treated us to a tour of the facility, but my favorite part was watching their joy as they opened their

presents. After the Boys and Girls club we rode to Sawgrass Recreation Park and were treated to a fun and informative airboat ride, and a fantastic picnic lunch. Sunday was the Toy Run and we lucked out with only a very brief, light

rain. Dee Snider was fantastic and all the bands rocked the event. On December 22nd I headed out to Flossie's to wish Pam a happy

birthday. I don't know how she does it but she keeps looking younger! She's one hot lookin' soon-to-be grandma! Jimi Robinette sat in with The Piro Trio who

rocked!

With 2016 behind us, we look forward and welcome 2017. New beginnings, fresh starts, re-affirmations of love and promises for a brighter future all come to mind as we ring in a New Year. There are the superficial, yet

purposeful, promises we make to ourselves. We resolve to get in shape, lose weight, improve career paths, and the like. Then, there are the heartfelt promises we make to others, whether aloud or in our minds. We want to care more, express love more, reverse bad feelings in old relationships or seek out new loving relationships. Whatever your heart desires, I

wish you all a Happy New Year with the hope that you will have many blessings in the year to come.

I'm out... with Lipstick & Leather On. Cindy!

# A HOT NEW NOVEL BY CHARLEY BLACKWOLF

**BLACK  
SUN  
WHITE  
SAND**  
BY CHARLEY BLACKWOLF

**Black Sun - White Sand** is a novel that relates how terrorist activity could bring about the downfall of the United States and in doing so describes current social decline, economic inequity, government excess and the general denial by the public that it could ever happen here. The main character tries to tell, but no one will believe him. You see... he's a junkie! There is also plenty of drugs, sex, violence and nuclear explosions!

# TRACKSIDE WITH CHUCK

KillerInstinctPhotos@gmail.com

I was able to attend two races this month, one being held at Palm Beach International Raceway and one being held at Bradenton Motorsports Park. The race held at Palm Beach was the annual Citrus Nationals. This race has been held in Palm Beach every November for at least the past 25 years and is the track's largest event of the year. Although the race may have had downsides over the past years, there was a great turnout this year.

The race was highlighted by Danny O'Day and his ATI sponsored wheelstander, along with Bob Motz and his jet semi-truck. These are two of the

legends of the sport of drag racing and have been around for many years. They always put on a hell of a show and never cease to amaze. Danny O'Day owns the world's fastest wheelstander running at speeds of over 150 mph in the quarter-mile on the rear wheels! Bob Motz is one of the pioneers of jet powered trucks and has been doing this longer than most of have been alive. The stands were full and the racing was phenomenal. Many people came out and it was good to see the stands packed!

The second race was the Snowbirds, held at Bradenton Motorsports Park. This is one of the biggest races in Florida for both racers and spectators alike! There was a Pro Mod shootout with 200+ mph cars, along with Bob Motz and his Jet Truck. The Little Red Wagon wheelstander was there, this is one of the first wheelstanders in the history of drag racing. The Larsen Motorsports team was in the house with all their jet dragsters. There wasn't an empty seat in the house and the staging lanes were packed!

Closer to home, I was also able to attend Todd and Crystal Scruton's Annual Holiday/ Todd's Birthday party. Soulicide provided the kick ass rock'n'roll. This group really knows how to party and Soulicide always puts on a hell of a show. It was packed and everyone had a blast!

On Sunday, December 4th, I rode over to Markham Park for the 29th Annual SFPC Toys in the Sun Run. This is one of those events I look forward to every year. The headliner was Dee Snider, lead singer of "Twisted Sister". He put on a hell of a show and rocked the huge stage playing many of our favorite songs. Also performing for us was national recording artist, Jasmine Cain, who kept on rocking the stage over at Cagney's House of Rock right after the toy run. She is also a hell of a performer and if you missed her you will have another chance to hear her at Cagney's on January 29th during the Der Krieger MC Annual.

I would personally like to thank all the sponsors who were involved with this year's event because at the end of the day this event is put on for the kids. If you have never had the opportunity to attend this event you need to make it a point to get out there next year. It is put on for a fantastic cause... it benefits the kids at Joe Dimaggio Children's Hospital in Hollywood, Florida.

I hope everyone had a very merry Christmas and a fantastic and safe New Year!

Until Next Time (crossing my fingers) Stay Safe, Killer Chuck.

# FREDDY'S AI BARS & BANDS

By Freddy: AIPromotionsGroup@aol.com

I hope everyone had a terrific New Years Eve and a Great 2017!

This magazine will be at the printer by Sunday Jan 1st so I can't tell you how my planned photo shoot will turn out which will take place on the 1st at 5PM at Flossies, I will be taking my one millionth Facebook photo. Which should be on Facebook as you read this. Hope you were there for the photo.

**NOW FOR PAST, PRESENT & FUTURE** of the end of 2016 and 2017. Dec 2016 was a very busy month starting out with a great night on Dec 2nd at The Biker Bash. The bike from the bike build that V-Twin City did with The Boys &

Girls Club of Broward was auctioned off for \$14,000. The person who won gave the bike back and it was auctioned off again and this time another \$10,000 was bid on the bike. Congratulations to V-Twin City and the Boys & Girls Club for a job well

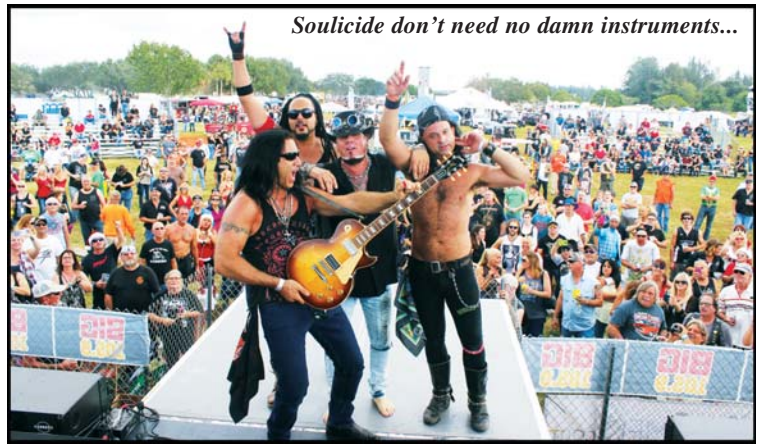

done! And a huge 'shout out' to everyone who donated at the event to help change the lives of children.

The very next day, Dec 3rd, was V-Twin City's Christmas and Holiday party with special guest Billy Lane. It was a great event with a great crowd of friends. V-Twin

Shawn...  
Mechanic at  
V-Twin City

City provided free food, free cold refreshments, giveaways and an outside concert with one of South Florida's top bands... SOULICIDE, who kicked ass!!! It was a great

Soulicide don't need no damn instruments...

day of music, friends, food & fun! After V-Twin City I said to myself that Loose Cannons is back home and that only means one thing! HOO-AH!!! Ride to the zoo campgrounds and spend the night camping with great music by Loose Cannons and great friends. It's actually the only

Dee Snider & me

place I get more then 2 hours a sleep a day LOL. The next morning, all refreshed, the BIG day was finally here on Dec 4th... it was The 29th Annual SFPC Toys in the Sun Run to benefit Joe DiMaggio Children's Hospital. What a great turnout to help the children. The bands that I was able to see:

Remadee, Jasmin Cain & SOULICIDE all kicked ass! And Dee Snider, from Twisted Sister, was AMAZING! It was a long time since I had seen Dee, going all the way back to the early 80's. When I saw Dee Snider backstage I said to him I'm only going to say 3 words to you. Gemini Yorktown Heights. Dee looked at me and said... "Freddy"! I said yes and he hugged me. Now only people who went to The Gemini II in Yorktown Heights, New York, in the late 70's and 80's will get this. I said to him that every time I step on something sticky I think of that place and Dee said "OMG... so do I"! The Gemini

was the place to go back in those days in Westchester County N.Y., it was slammed from Monday to Sunday with some of the best new rock bands around the New York circuit. But their floor and carpet sucked. They could never clean up fast enough to get all the spilled drinks and your feet would go stick, stick, stick...

During his show, Dee did not miss a beat and rocked The 29th Annual SFPC Toys in the Sun Run. It was a great day to see an old friend with great music on 2 stages, delicious food, fun and friends new and old, all for a great cause... Joe DiMaggio Children's Hospital.

One of my favorite highlights of the day was when Dee asked Santa Ed & all the children who were there from Joe DiMaggio Children's Hospital to come to the stage to help sing a song, and the song was Twisted Sister's We're Not Gonna Take it. The whole place was Rock'n and singing along! Please remember it's never too late to donate to help the children at Joe DiMaggio Children's Hospital. Every penny helps!

After the toy run I dropped by Cagney's for their "after toy run party" to get a double dose of National recording artist Jasmine Cain, who played at the toy run earlier. Jasmine has a great band and she is a great singer and performer. They rocked Cagney's all night! It's great to have a kick ass female rocker out there on the national charts!

On Saturday Dec 17th I hit a whole bunch of places. Starting out early I tried to make it to the Wreaths Across America ceremony in Pompano Beach at City Cemetery with the Combat Veterans Motorcycle Association Chapter 20-5 who was there supporting the Lighthouse Point Chapter of the Daughters of the American Revolution. I am sorry I missed the ceremony due to traffic, but I did take a bunch of photo's of the wreath that were laid. Then I hit Alligator Alley Harley-Davidson for their Grand Opening. From there I hit a couple of parties and a fundraiser. Then it was time to get ready to hit

Yes Freddy... there's two..

Todd & Crystal Scruton's Annual Holiday party and Todd's birthday party at their house with music by SOULICIDE. It was a great time and a packed house... literally!

Then I hit my friends Claude Rayhome's house for Claude's annual end of year Black & White party with well over 400 people rock'n to the music of Trip Machine. Moving along through the night at many other venues, I hit a total of 10 events that day and night with great entertainment everywhere!

On Friday Dec 23rd the Wings of Gold MC held their Christmas & Holiday party. What a fantastic turnout of friends new and old with great food and holiday fun. The Striker & Fox Duo donated their time to DJ and play holiday songs, and a bunch of guests sang karaoke holiday songs.

NOW THE PRESENT... I would like to thank DeeDee and Jager Mike of Big Dawgs

for the surprising present they gave me. Most people did not know I was driving a very dangerous vehicle for months, which would cost me thousands to fix. I was trying to save up for something new when they gave me a Ford minivan and wrapped it in A1 Promotions and A1 Slogans. I was very surprised and speechless and I still am. So look for the new A1 Promotions

Party which was held at Davie Elementary on 12/16. I have attended this worthy event for several years now. It is always such a nice affair. The Wings of Gold MC Ft. Lauderdale chapter provides a nice lunch for all the families and kids. After everybody had been fed, Santa and his elves arrived on motorcycles. It was amazing to see all the kids

lined up outside for that moment to happen. As soon as Santa had arrived, food baskets, brand new bicycles and toys were handed out. The new bicycles were donated by the Children's Charity Riders Association which has been raising money all year long to ensure that they have enough bikes for all the kids.

2017 will have a lot of great bike events in store starting with the Blessing of the bikes (01/08), The Wings of Gold Biker Appreciation event as Intentioned (01/15) and the Der Krieger MC's Annual on 01/29 at Cagney's House of Rock in Davie with Jasmine Cain coming back for another great show. You don't want to miss this.

I want to thank all of you who have supported me over the last couple of years. It gives me great pleasure capturing some great memories of Bike Events and even more so taking photos at the Weddings I had been hired to cover. Please check out my Gallery

behind. Everyone with WOTR sends condolences to the club and his family. May "Preacher" rest in peace. This is a terrible way to start off the new year and I hope that this is the one and only fatality during 2017... but unfortunately we know that it won't.

Before the end of 2016 former WOTR moto-journalist, Modest Mike was hit on his bike 2 days before thanksgiving. His injuries are hurrendous and he is still in a partial coma at Ryder Trauma in Miami. He lost his foot, broke and fractured 6 or 7 or more ribs, and has multiple cuts, bruises, road rash and every day he doctors are finding out something else wrong. Mike will be in Ryder for a very long time but hopefully, when he does get out, his dogs, house and belongings will still be where he left them. He does have someone house sitting but Mike will need months of therapy and time to heal. He will most likely not have a job so he will be in need of cash. There is a **Gofundme** page for him named: **Modest Mike** (AKA Mike Matthews) This is also a very important fund as you can imagine so toss in a few bucks... or a hundred, or anything in-between (or above) Mike, and all his friends, will really appreciate whatever you can give.

As things are going I can see that this year will be the Year of GoFundMe causes. This is better than 2 years of Idiots fighting to become the butt of our jokes for the next 4-8 Washington years. (Kinda like Dog's years but each year seems more like an eternity.)

Well December came and left like a flash. The toy run is over and already things are in the works for next year. This years event had a larger turnout than last year and proceeds of \$477,000.00 prove it. We also got a lot more good toys than in past years, although there are still too many stuffed animals that cannot be given to most kids AND none to any hospitals. What will it take to STOP you all from giving a stuffed animal as a gift? Stuffed turkeys with mashed potato's ok.. but not toys. If you are reading this then remember to NOT bring a stuffed animal. (Call me when the turkey is ready... I'll bring some good wine)

The musical entertainment was top notch with our local bands and the headliner... Dee Snider, lead singer of "Twisted Sister", who out-

performed most of the other singers that are 1/2 his age. He kept the crowd on their feet and close to the stage while most everyone sang along with Dee. If you don't know the words to at least one of their songs then you must have been born yesterday... (and can't even read this)

The police from all over Dade, Broward and Palm Beach counties were a big part of the parade that rides from Mardi-Gras Casino in Hallandale to Markham Park in Sunrise. Without these 200 or so motormen and cruisers, there would be a lot of people hurt or killed during the 20 mile ride. Thank you to all who donated their time and efforts. I also want to thank Sunrise Detective Lowenstein for taking his time to discuss important police matters with little Johnny, who, along with his grandma Debbie, have been staying with me and Sharon since we rescued them from their nasty living situation/relationship at the end of October. Johnny was so excited to actually become an honorary officer & badge holder. Didn't matter that the badge was made out of paper and stuck to his shirt... Johnny smiled for over a week... and still talks about his police friend. For Christmas we even got Johnny a police uniform with handcuffs, a metal badge, a hat, whistle and night stick. (I kept the gun for myself...) Johnny soon learned that if he puts the handcuffs on anyone OR himself, he needs to make sure the handcuff key is on a string around his neck. He only forgot 3 times... so far. (I especially liked the time he handcuffed his wrist to his ankle)

So this turned out to be one of the best toy runs in a many years, especially with the nice weather and great entertainment. Make plans on attending the Wings of Gold MC Biker Appreciation Day on Sunday, January 15th at Alligator Alley Harley. This is where everyone that helped out by donating time or money receive "Thank You" plaques to hang in their office or over the mantle. (You all have mantles don't cha?) See the flyer on the next page for additional details. Google "Mantles" to buy one of your very own.

Last month I stopped by Puppy Joes groomers to drop off some magazines and check out the shop. Joze Gagnon is the gal with the grooming scissors and plenty of patience. She has a really nice shop on the side of her house right near the Hard Rock. While I was there she was grooming two dogs, one at a time. Both looked happy, not a bit nervous. Well Joze was a little nervous, but who wouldn't be with a camera shoved in your face while you were clipping the fur around a pit bull's private affairs. (It was actually clipping a poodle but Pit Bull sounds better).

Joze does a really good job and didn't even nick the dog's brownish colored nutz. Huh??? that wasn't balls? Then what was those small round brown balls at the rear end of the dog? (Oh, I can't tell you the answer.. you might toss your cookies...)

Well, if you are looking for a really good groomer and live near the Hard Rock or jst like driving around town with a slobbering, whinning, yappy dog or two in the car, Joze is your gal... She does a great job and her prices

are too low... MUCH too low. (She'll probably raise her rates now...) So call Joze today and make an appointment for your dog, since they can't actually make the call themselves. (See her ad on the next page)

I want to thank the guys at Mystic Seven MC for their Holiday Party invite. Sharon was really surprised that "Secret Santa" Perv procured a nice present for her. She hasn't taken it off since. (I told her that even girls socks start to stink after 3 weeks...) I was also surprised to get a present from "Secret Santa" Perv. Were you guys hinting I don't smell good enough to visit your clubhouse? Well thanks, I used up the first bottle already... a gallon just doesn't go that far anymore.

Now as far as upcoming events go the States MC are holding their Blessing of the Bikes at their Pompano Beach clubhouse Sunday the 8th. (flyer page 17) On the 12th (if you are up in Lebanon Tennessee the Keltics MC is holding their 12th Anniversary (flyer pg 23). On the 15th is the Appreciation event (page 37). On Jan 21st is Candy's Cycle Appreciation

Party & Moldy 1%ers 42nd Anniversary (ad page 11). On the 28th is the Dania Antique Bike Show (centerfold flyer) On the 29th is the Der Krieger MC Annual (flyer page 37) and on February 12th is the Outlaws Valentines Day Annual (flyer page 35). And starting 8pm Wednesday, Feb 1st (and every Wednesday) is Jam Night with Stet's Mickey's Tiki Jammer's. Stet did a jam night for 17 years at Turn 3 but now Mickey's grabbed Stet and it's gonna be great! (see ad page 5).

There are 2 new advertisers that I need to mention. First is the Cash4HarleyParts which is exactly what it sound like. When you put on new chrome or change parts don't leave them at the dealer or toss them... call James and he will give you a great price for good used parts.. or in some cases any part in ay condition. His ad is on page 8. The other new ad is on page 37. Give Your Ass A Gift is their slogan. Custom bike seat upholstery (and more) is what they do. You need to look at their two

websites and ride your bike over to Carlos to talk about how much better you will feel and how great your bike will look with a custom seat. Tell Carlos, and every advertiser, you saw their ad in Wheels on the Road.

I want to wish my father's twin brother, my uncle Al, a happy 90th birthday. Your party in Boca was really nice but it would have been a lot

better if we could have got a piece of your birthday cake. Who doesn't give out birthday cake? Which one of your kids stole it and took it home? We will find out... don't worry about that. We have our ways... You know that since this "surprise birthday" was not even in the correct month you can have another birthday on the real date in January. Call me, we'll talk about it and maybe go to that strip joint again?

This ends this issue and maybe the 17 year run of this magazine. I've been saying for 6 months ad sales are way down and now with the loss of Chester's and Palm Beach Harley it will be impossible to continue unless I get either new ads or get \$2,000 in donations by the middle of January. I can't keep running this magazine in the red, it doesn't make sense to throw out good money that could be used for other things... like food, gas, insurance, insurance.... well you know, you have those same things. I have been talking to a few people who are interested in buying this mag however I'm not sure are a good fit for the South Florida area and one of these people want to drop certain ads and certain writers, and I'm not happy with their ideas. But if I do sell WOTR you can be sure the new publisher/owner will be able to deal with the clubs, organizations and the advertisers that have been loyal to me for the last 17 years, some from when I was with Southern Biker and even before that with Riders Exchange. (remember that one?)

## Hope n' Change

HopeNChangeCartoons.com / ©2016 by Stilton Jarlsberg

But nothing is written in stone and anything could happen, like the approximately 25,000 worldwide readers donating just \$12 each. That's just \$1 a month for a year (or the past year) And there is always the Lotto, or even Fantasy 5... well on second thought... if I hit the lotto I would do one final issue, have a big closing down the mag party and take some time to catch up on all the sleep I lost these past 17 years... and figure out if I'm a grandfather or not.

*Even Charlotte is wondering if I'm her Grandfather or not... And she could have another Great Grandma and another Aunt, Uncle, a ton of 1st & 2nd cousins and around 50 assorted relatives on my side of the family... MM*

So whatever happens to this magazine, stay healthy, attend the club and organization events you have been too scared to attend, don't get fucked up and ride (that will catch up with you) and always keep your Wheels on the Road.
